Oldham LAA Improving Performance

Jon Parkin

Deputy Regional Director

Places and Partnerships Team

What does a good LAA look like?

- Emphasising uniqueness
- Needs and evidence driven
- Narrowing the Gap
- Doing things differently
- Building partnership capacity
- Driving change
- Promoting sustainable development
- Diseases not symptoms
- Championing cross-cutting
- Strong performance management culture
- What works
- Learning from others

Current LAA

- One of strongest Round 2 products
- LAA centre of delivery for Place
- LPSB created
- LSP rebuilt on lines of LAA blocks
- Narrowing the Gap methodology
- LAA links to other initiatives eg HMR
- 3rd sector strongly involved
- Indicators linked to priorities
- Cross-cutting opportunities

Moving Forward

- Dry Run has given Oldham a head start
- Story of Place
- Build in capacity to LSP in process
- Being honest about performance successes and challenges
- More cross cutting
- Greener
- More learning from others
- Utilising what works
- More Narrowing the Gap
- MAA

But most important

Be confident!

Oldham is a very good LAA and should be a best practice model after this round
